Approved For Release 2002/08/21: CIA-RDP91-00682R000200060006-1

Wednesday - 12 September 1951

1. Mr. Borden, Director of the staff of the Joint Congressional Atomic
Freray Committee, phoned to request clearance of the following sentence for a speech
to be delivered by Senator McMahon: "Did you know that many more people work in the
Soviet atomic project than the 100,000 who work in our own?" After checking with
OSI, I informed Mr. Borden that we had no objection to such a statement.
